

## February 5th Housing Minutes

- CAPS email, put do you want to be on the referral list (HEADER)
- CAPS Survey ON-going
- CAPS Survey CARD to hand out to site and survey with resources
- Hold CAPS people accountable for getting reviews a card to give that has people rate them out the AFL site
- Tanya developed a handout to inform people about how to become CAPS certified and it will be posted on the AFL website
- Reviewed the document Tanya developed that was an overview of the responses of the survey
- Worked on ideas to find more people who are or will be CAPS certified or those who can provide home modification services
- Talked about reaching out to Unions to see what services they provide and what kind of free or reduced price services they might provide
- Next Door - social media group to put out flyers for information
  - FB - neighbourhood pages
- Go to Louisville Metro Licentures/permits to do work
- Contact the Corporate LOWES and Home Depot
- See if Metro could help enforce the flyer being put up
- Contact CAPS - and see if they will release those who are CAPS
- New Directions - Senior Homes Rehab
- Aging in place places
- Senior Daycares
- Send out another email about the CAPS
- KIPDA - do they help with any home modification funds?
- What ways can we help people afford home modifications
- What agency .... New Directions ... does this .... assess need and get contractors and help with payment and reliable contractor connections.
- The resource manual needs to have:
  - Contractors
  - Agencies that help provide financial support for home modification for those who qualify
  - Financial Advisors
  - Real Estate Agents
- Center for accessible living
- Colleen - Resize your nest / real estate
- Susie - Senior Real Estate Agent
  - Help to relocate people when needed
- Reverse Mortgage Information
