

Action Plan Overview

How to Read this Plan

Introduction

This section of the Strategic Plan provides the specific action projects that AFL will work to implement over the next three years. This section is organized first by the primary domain (the four AFL domains). The projects are grouped by the overarching goal then by objective and action (task). Each project is designed to ensure a balance of short-term achievements (or quick wins), which would maintain momentum and interest, and more incremental, long-term actions.

Primary & Secondary Domains

The action projects identified in this section are organized by the primary domain they address. However, all projects intersect multiple age-friendly domains.

These secondary themes are denoted next to specific projects through the following icons:

HOUSING

TRANSPORTATION

SOCIAL PARTICIPATION

OUTDOOR SPACES & BUILDINGS

RESPECT & SOCIAL INCLUSION

COMMUNITY SUPPORT & HEALTH SERVICES

COMMUNICATION & INFORMATION

CIVIC PARTICIPATION & EMPLOYMENT

Short & Long-Term Successes

In order to show the balance of short-term objectives (“quick-wins”) and long-term objectives (major projects), the following icons are placed next to objectives and actions:

Short-Term Objectives

“Quick Wins” that can be accomplished in the first year.

Long-Term Objectives

“Major projects” that will take multiple years to complete.

Implementation Partners

The core implementation partners consist of the four AFL leadership partners and are denoted by the following abbreviations:

“Age-Friendly Leadership” - all four leading partners of Age-Friendly Louisville: Louisville Metro

AARP Kentucky, KIPDA, UofL Institute for Sustainable Health & Optimal Aging

H - Housing Domain

M&A: Mobility & Access Domain

SPR&I: Social Participation, Respect, & Inclusion Domain

CS & HS: Community Supports & Health Services Domain

Various other community partners are identified per each action project.

Implementation task forces: for each domain, AFL will establish a “task force” group consisting of AFL Advisory Group members and community members.

Action Plan

Housing

Vision for Housing-Related Projects:

Louisville will have accessible and affordable housing with adequate maintenance resources to encourage aging-in-place.

DOMAINS

Housing-Related Projects:

Primary

Secondary

Goal 1: Increase the number of home maintenance resources for older adults to ensure they can stay in their homes as long as possible.

OBJECTIVE	ACTION	PARTNERS	DEADLINE	METRICS
1. Mobilize volunteers to support home maintenance and develop a sustainable model for all socio-economic levels.	 1. Conduct a survey of all possible volunteer groups that can support home maintenance for older adults.	H Work Group and volunteer groups. Potential partners could include: RSVP Program, Community Action, Faith-based community groups, Jefferson County Public Schools (JCPS), Neighborhood associations; Age-Friendly Leadership	2019	# of volunteer groups identified
	 2. Build working relationships with volunteer groups identified.		2020	# of volunteer groups willing to provide maintenance services to older adults
	 3. Create an intergenerational mentorship program between maintenance volunteer groups and older adults.	H Work Group and maintenance and home building organizations. Potential partners could include: Building Industry Association (BIA), Habitat for Humanity, New Directions, Building Industry Association of Greater Louisville, JCPS; Age-Friendly Leadership	2020	# of mentorship groups created
	 4. Build working relationships with supplier groups that can donate and/or provide at reduced cost materials and tools for home maintenance.		2020	# of supplier groups willing to provide maintenance materials/tools

Goal 2: Increase the number of home builders in Louisville who have earned the Certified Aging in Place Specialist (CAPS) certification from the National Association of Home Builders.

OBJECTIVE	ACTION	PARTNERS	DEADLINE	METRICS
1. Mobilize builders to support home modifications, by increasing the number of home builders in Louisville who have earned the Certified Aging in Place Specialist (CAPS) certification from the National Association of Home Builders.	1. Develop a list of home builders in the Louisville area that are active in the house modification business.	H Work Group; Potential partners could include: Building Industry Association of Greater Louisville (BIA); Age-Friendly Leadership	2019	# of home builders identified
	2. Work with these home builders to earn their CAPS.		2020	# of CAPS qualifications earned
	3. Market these home builders to the aging community.		2021	# of actual home modifications completed by CAPS certified builders
2. Mobilize building supply companies to support home modifications.	1. Work with builder supply companies (eg. Lowe's, Home Depot) to have a section on home modifications where workshops can be held on how to modify houses to be age-friendly and older adults can receive one-on-one consultations.	H Work Group; Age-Friendly Leadership	2019	# of older adults served by participating builder supply companies
