

# Action Plan Overview

## How to Read this Plan

### Introduction

This section of the Strategic Plan provides the specific action projects that AFL will work to implement over the next three years. This section is organized first by the primary domain (the four AFL domains). The projects are grouped by the overarching goal then by objective and action (task). Each project is designed to ensure a balance of short-term achievements (or quick wins), which would maintain momentum and interest, and more incremental, long-term actions.

#### Primary & Secondary Domains

The action projects identified in this section are organized by the primary domain they address. However, all projects intersect multiple age-friendly domains.

These secondary themes are denoted next to specific projects through the following icons:

HOUSING

TRANSPORTATION

SOCIAL PARTICIPATION

OUTDOOR SPACES & BUILDINGS

RESPECT & SOCIAL INCLUSION

COMMUNITY SUPPORT & HEALTH SERVICES

COMMUNICATION & INFORMATION

CIVIC PARTICIPATION & EMPLOYMENT

#### Short & Long-Term Successes

In order to show the balance of short-term objectives (“quick-wins”) and long-term objectives (major projects), the following icons are placed next to objectives and actions:

Short-Term Objectives

“Quick Wins” that can be accomplished in the first year.

Long-Term Objectives

“Major projects” that will take multiple years to complete.

### Implementation Partners

The core implementation partners consist of the four AFL leadership partners and are denoted by the following abbreviations:

“Age-Friendly Leadership” - all four leading partners of Age-Friendly Louisville: Louisville Metro

AARP Kentucky, KIPDA, UofL Institute for Sustainable Health & Optimal Aging

H - Housing Domain

M&A: Mobility & Access Domain

SPR&I: Social Participation, Respect, & Inclusion Domain

CS & HS: Community Supports & Health Services Domain

Various other community partners are identified per each action project.

**Implementation task forces:** for each domain, AFL will establish a “task force” group consisting of AFL Advisory Group members and community members.
