

Domain	Zone	Theme	Question No.	Importance	Feasibility	Strategy
<b>Mobility &amp; Access</b>						
Mobility & Access	Green	Accessibility	17	4.45	3.58	Have more programs like Meals on Wheels.
Mobility & Access	Green	Accessibility	5	4.32	4.13	Contact TARC to see if any changes to their bus schedule are possible, like adding hospitals to their routes.
Mobility & Access	Green	Accessibility	43	4.24	3.84	Give older adults and seniors discounts for public transportation
Mobility & Access	Green	Advocacy & Awareness	38	4.16	4.26	Get the Metro United way number (211) out to the public so more people know about it
Mobility & Access	Green	Built Environment	40	4.58	3.84	Continue to improve sidewalks and add accessible curb ramps (bring idea to Mayors roundtable as it has previously been discussed there)
Mobility & Access	Green	Built Environment	57	4.35	4.03	Have longer periods of time for people to cross the street, especially in the busier and downtown areas
Mobility & Access	Green	Policies & Legislation	29	4.21	3.87	Propose a protection law (similar to the "Good Samaritan Law" in Tennessee) to protect volunteer drivers
Mobility & Access	Green	Policies & Legislation	44	4.21	3.63	Find a way to reward organizations that offer transportation to those who are frail/vulnerable- take idea to Mayor's roundtable
Mobility & Access	Green	Public Transit (TARC) Knowledge & Information	66	4.11	4.16	Create easy to read TARC map
Mobility & Access	Red	Accessibility	42	3.81	2.95	Get senior centers and homes in Louisville to designate one vehicle to transport older adults to and from bus stops
Mobility & Access	Red	Advocacy & Awareness	34	3.53	3.27	Ask TARC to do more marketing and advertising of routes
Mobility & Access	Red	Advocacy & Awareness	11	4.00	3.26	Change negative connotation in regards to public transportation
Mobility & Access	Red	Alternate Transportation	71	3.89	2.35	Propose a light rail system
Mobility & Access	Red	Alternate Transportation	3	3.76	3.35	Contact TARC and see if they would be interested in having trolleys in the busiest areas of the city
Mobility & Access	Red	Alternate Transportation	52	3.58	3.13	Contact public school to see if there is a way to utilize school busses when they are not being used
Mobility & Access	Red	Alternate Transportation	47	3.42	2.78	Contact Goodwill and talk to them about their program involving impound lots and used vehicles. Help them revise their program and possibly create an elderly driving volunteer program
Mobility & Access	Red	Alternate Transportation	60	3.19	2.19	Start a movement now to save funds and have a plan in place so when self-driving vehicles hit the market, Louisville can afford them and implement them into the city
Mobility & Access	Red	Alternate Transportation	15	2.87	2.81	Use golf carts for transportation around communities
Mobility & Access	Red	Built Environment	74	3.86	2.97	As the city moves forward with construction, propose that all sidewalks in the community must lead to a bus stop
Mobility & Access	Red	Ride Sharing	55	3.77	3.34	Develop a program that ensures the driver's safety
Mobility & Access	Red	Ride Sharing	41	3.48	3.33	Discuss <i>Go Go Grandparent</i> with senior living homes
Mobility & Access	Yellow	Accessibility	45	4.22	3.22	Find out the major areas where people are wanting to go and can't get to and work out a deal with TARC (also find the major businesses that don't have access to TARC but employ a large amount of people)
Mobility & Access	Yellow	Accessibility	31	4.18	2.61	Have grocery stores within a block of senior living centers
Mobility & Access	Yellow	Advocacy & Awareness	20	4.00	3.45	Collective advocacy is power. Get many people involved to call Metro Council about problem areas
Mobility & Access	Yellow	Advocacy & Awareness	39	3.71	3.79	Help TARC set up community trainings and info sessions
Mobility & Access	Yellow	Advocacy & Awareness	25	3.58	3.66	Create community discussion forums
Mobility & Access	Yellow	Alternate Transportation	54	3.81	3.38	Contact major Louisville companies to see if they have programs to help their staff get to work via public transportation and if not, if they would be interested in starting one
Mobility & Access	Yellow	Policies & Legislation	18	4.24	2.84	Get TARC more funds to allow it to have more stops and reach more of the population
Mobility & Access	Yellow	Public Transit (TARC) Knowledge & Information	36	3.97	3.49	Do research to develop a list of new potential bus routes
Mobility & Access	Yellow	Public Transit (TARC) Knowledge & Information	7	3.70	4.27	Print out/ develop TARC schedule and distribute to senior centers and nursing homes (maybe ask TARC to do more marketing in local papers)
Mobility & Access	Yellow	Ride Sharing	75	3.82	3.76	Have sign-up sheets at churches or in the community bulletins so people can sign up for rides and others can sign up to provide rides
Mobility & Access	Yellow	Ride Sharing	51	3.78	3.49	Host info sessions and tutorials for older adults at senior centers and homes to show them how to use Uber and Lyft and explain the process drivers go through to get certified drivers. Also show them how to <i>split the ride</i> with their friends.
