- I. MEETING CALLED TO ORDER AT 2:00 PM by Alli.**
- II. INTRODUCTIONS**
- III. REVIEW OF ACTION PLAN**
  - a. Group reviewed the [current action plan DRAFT](#). No changes were made.
- IV. REVIEW OF VISION ZERO DASHBOARD**
  - a. Group review the current data. Two sites were identified as potential walk audit locations.
    - i. 2<sup>nd</sup> & Broadway
    - ii. 22<sup>nd</sup> & Bank
  - b. Discussion of choosing one urban location and one location in a small city was had.
  - c. Discussion of filtering the data by age so we could highlight locations that are more dangerous to older adults. Alli will reach out to [Public Works](#) to see if this is possible.
  - d. A trend was noticed during this review; locations near health complexes seem to have high amounts of pedestrian accidents (local hospitals and/or health center campuses)
- V. AARP Walk Audit Tool Kit**
  - a. Group reviewed the documents in the [AARP walk audit](#).
  - b. A goal was made to plan a walk audit for the June meeting.
  - c. Organizations we would like to invite: Commission for Persons with Disabilities, TAAC, KIPDA, AARP, Mayor's Office, Public Works.
  - d. Alli will reach out to Public Works regarding donation of safety vests, Alli can print documents and provide clipboards and pens for the day of the event.
  - e. A discussion of how to make a walk audit accessible for individuals who cannot attend in person-utilizing the most recent Google Map Data.
- VI. FOLLOW UP**
  - a) Alli will follow up with Public Works, The Commission, TAAC and AARP. Beth M will follow up with KIPDA regarding attending the Walk Audit.
  - b) Alli will reach out to Becky about the possibility of doing an audit in one of the small cities.
